NO SUBSCRIPTIONS

Bomber isn't published on a regular base. We make an issue when we think it's worth to publish. Not because we have to. For this reason we take no subscriptions. If there is no shop in your hood or you're lazy you can order Bomber at the website www.bomber.nl

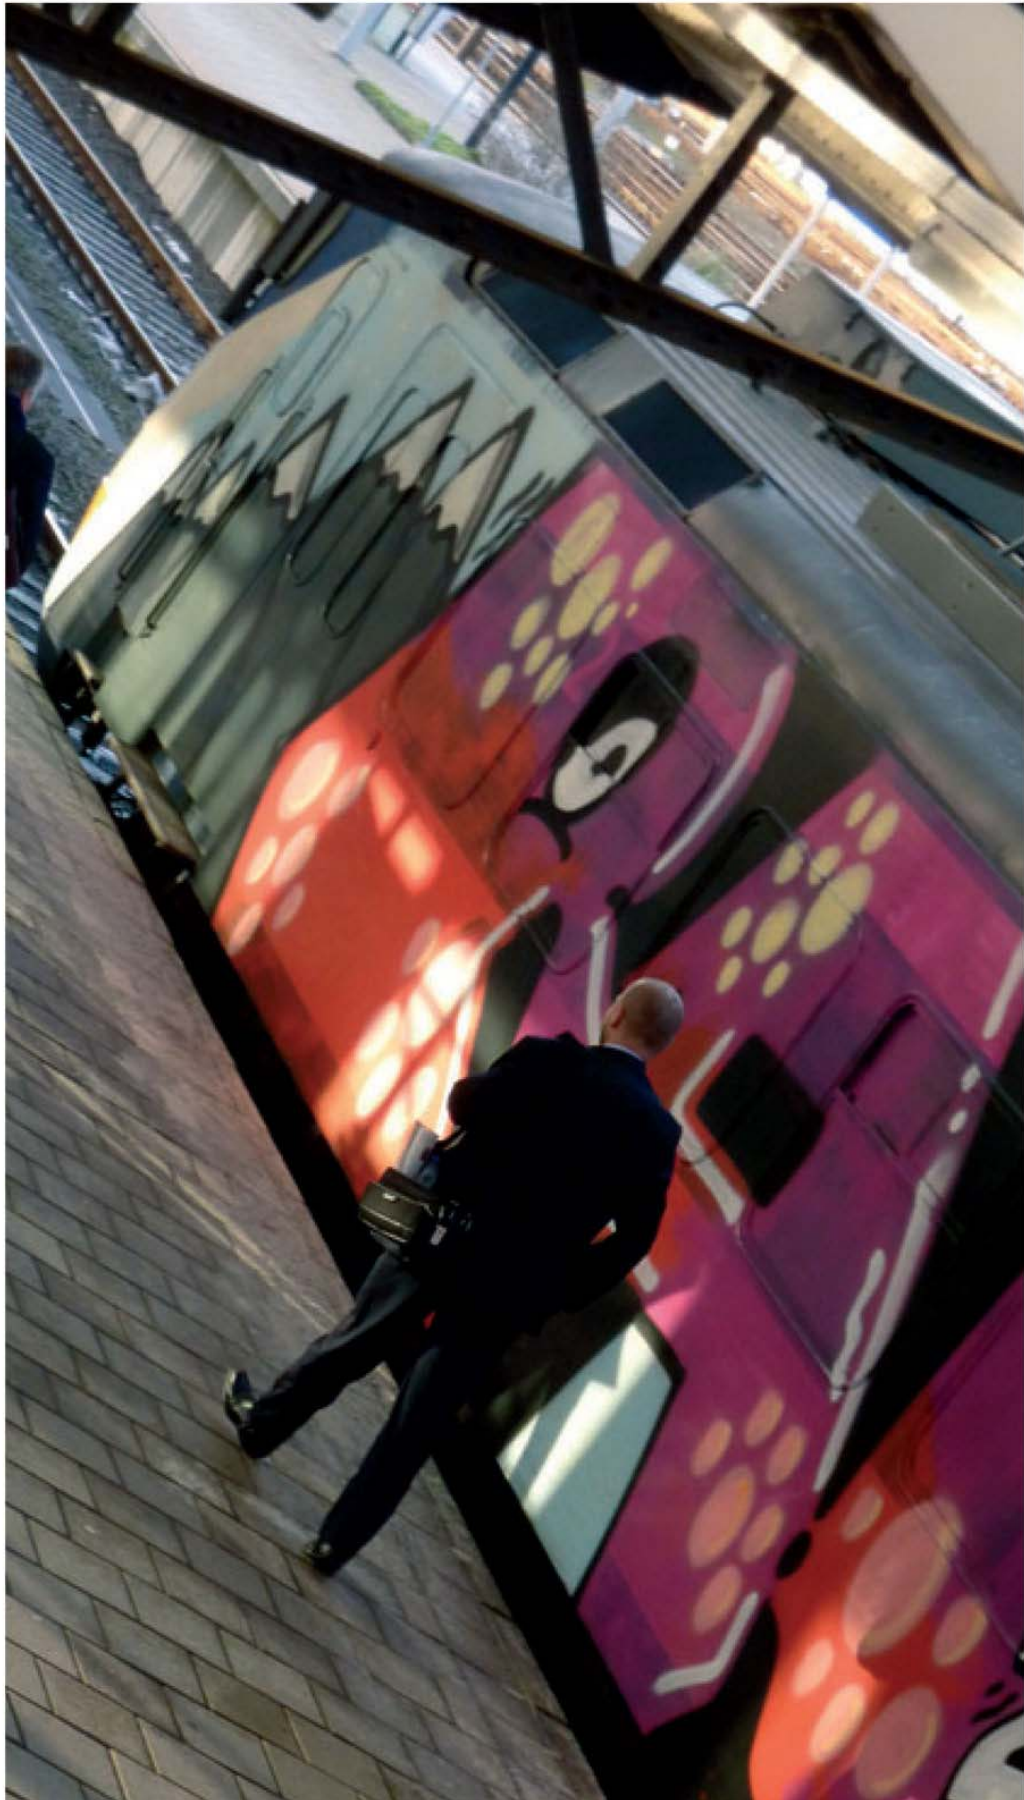

COPYRIGHTS

Bomber Megazine is published for UC-distribution by The Bomb Team. All rights reserved. Reproduction in whole or in part of any text, photograph, or illustration without express written permission of the publisher is strictly prohibited.

Opinions expressed and photos published within are not to be considered official expressions of UC-distribution, or The Bomb Team. We do not encourage any illegal acts. The publisher assume no responsibility for errors and omissions appearing within.

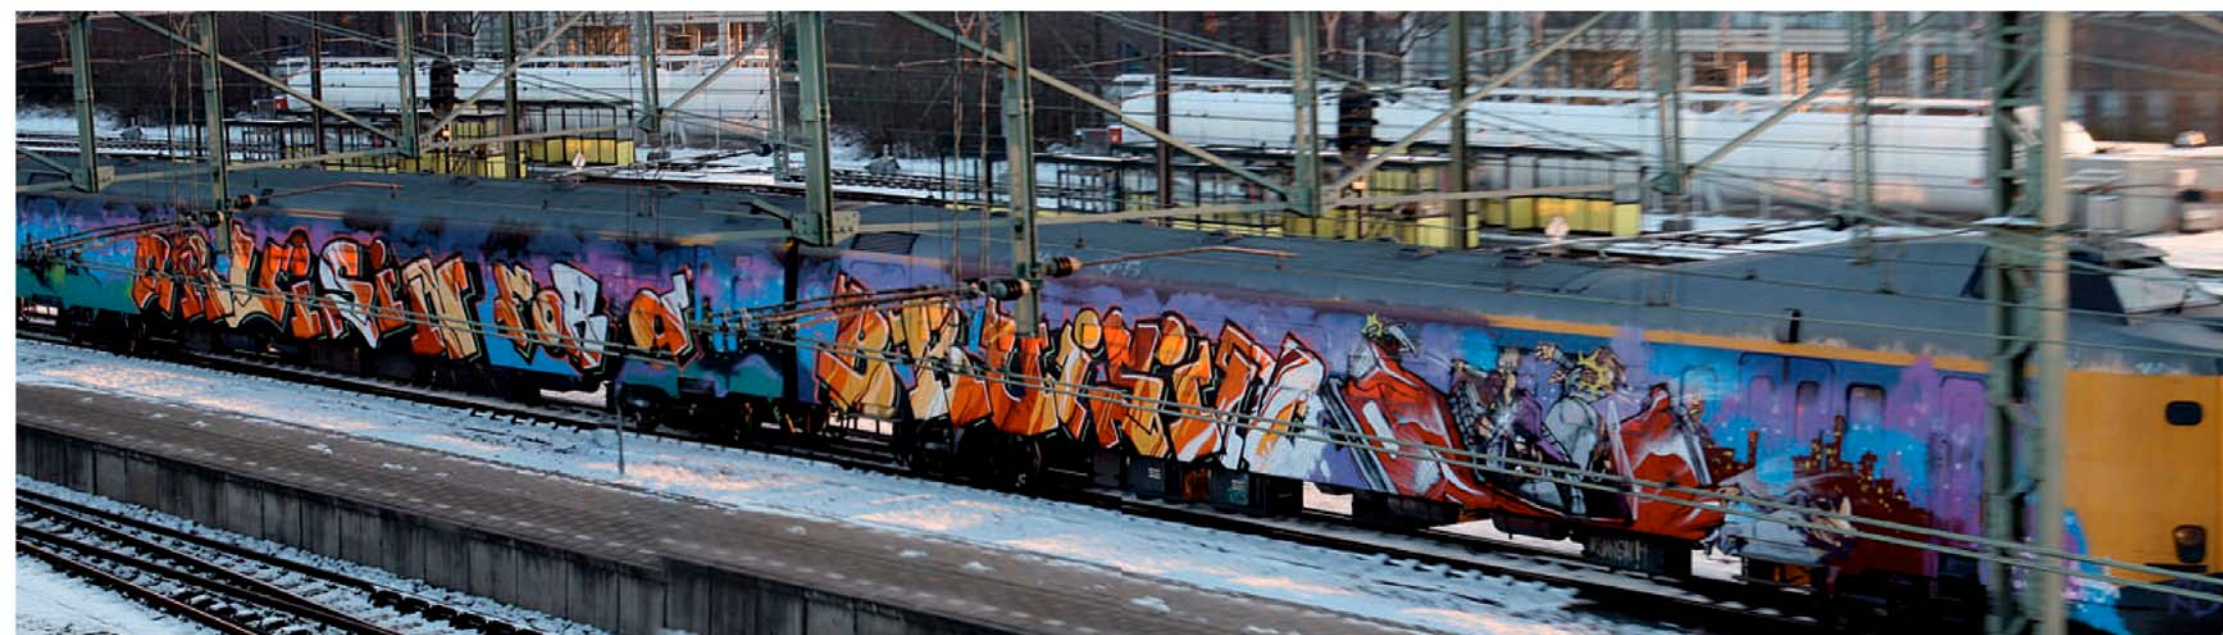

NEW ISSUE

For questions regarding the new issue please send me an e-mail at: info@bombermegazine.nl. I hope to hear and work with you and together do another killer issue. Next year we celebrate 25 years of Bomber Megazine. Stay tuned!

OWL

MOST OWLS ARE NOCTURNAL, ACTIVELY HUNTING THEIR PREY ONLY IN DARKNESS. SEVERAL TYPES OF OWL, HOWEVER, ARE CREPUSCULAR - ACTIVE DURING THE TWILIGHT HOURS OF DAWN AND DUSK; ONE EXAMPLE IS THE PYGMY OWL (GLAUCIDIUM). A FEW OWLS ARE ACTIVE DURING THE DAY ALSO. MUCH OF THE OWLS' HUNTING STRATEGY DEPENDS ON STEALTH AND SURPRISE.
