

# mtn Novelties

New products from Montana Colors. August 2011

8,90 €

The new Tempera paint has arrived.  
Can be used to refill markers, paint  
with brushes or airbrush.

Her12 colors that coincide with the MTN Markers line.  
Perfect density to use directly with paint brushes, airbrushes,  
and to fill markers or squeezers. As it is a water based paint,  
cleaning up spots and/or spills is made easy.

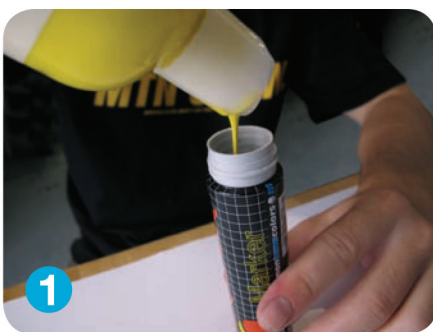

Matte finish and great coverage. The colors can be mixed  
together offering endless possibilities.

Available in 250ml bottles with dispenser cap.
