WALL To WALL

Montana Colors presents Wall2Wall, a scaled down version of a brick wall in which you can show off your finest sketches. Thanks to it's handmade craftsmanship, as every piece will be original, it'll feel like your getting your own art up on a city wall... miniaturized.

You can even put them together if you feel like representing the whole crew.

MTN cans or markers can be used.

Something to create, collect, and remember.
