

GRUG[®]

Metal Head 04 / Year 2010

Introduction.

Grog is proud to introduce the new **Metal Head 04** marker, the definitive solution for all-surface and all-condition tagging.

Equipped with a 4 millimeter metallic ball-tip, **Grog Metal Head 04** will surprise you for its extreme writing smoothness, even on the dirtiest or roughest surface such as rust, concrete, wood or asphalt.

The **Grog Metal Head 04** squeezable barrell allows to obtain both straight and drippy hand-styles. Thanks to his special paint formulation, which is made to resist in any condition, your street signs will be visibles for many years to come.

Grog Metal Head 04 is available in 8 glossy shades. The refills will be available soon.
