

# mtn Novelties

New products from Montana Colors. August 2011

Limited/Edition

EX1034049

No questions, he's the guy rockin' it, right now. His original characters and his skills with several techniques, mostly on big walls, made Aryz the new enfant prodige from Barcelona and one of the names you heard the most, all around the Globe. We could not miss him in our Limited Ed. Hall of Fame!
