« Très vite on s'est dirigé vers « l'art », on a cherché les plans légaux, les murs qu'on nous prêtait ou pour lesquels on nous payait pour peindre. On ne voulait pas être des crapules, on faisait ça pour s'amuser... »  
« Very quickly we went towards « art », we used to look for legal spots, the walls that were given to us, or for which we were paid for. We did not want to be scoundrels it was just for fun... »
