

Product Information | TECHNICAL DATA SHEET

MTN MURAL Protection Varnish. 1 liter, 37.46 Oz, 1062 g.

GENERAL DESCRIPTION

Matte and Glossy water-based varnish, quick drying and with excellent properties, suitable for the protection and evenness of shine of artistic murals, both indoors and out. Thanks to its UV filter, it significantly increases the useful life of the outdoor work.

CHARACTERISTICS

- Water based
- Acrylic
- UV filter
- Matte - Glossy finish
- Cures well
- Does not yellow
- Ease of application with roller, air gun or brush (in some cases dilution may be required for better application).
- Good adhesion to other paints and on mineral surfaces, natural stone, plaster, stucco, etc.

INSTRUCTIONS FOR USE

- Stir the product for 1 minute.
- Apply on a clean, dry surface. Due to the variety of materials and uses that it can be applied to, it is recommended to do a preliminary test to verify that the product meets your needs.
- For old paint, pre-sand and remove dust before application.
- For best results, it is recommended to apply in thin layers.
- Let Dry 30 minutes
